

Courses By Career Path

Office	Leader	Foreman	Supervisor	Project Manager	Engineer
Construction 101	Construction 101	Foreman Training Program	Foreman Training Program	Project Manager Development Program	Project Manager Development Program
Lean	Lean	Supervisory Training Program	Supervisory Training Program	Construction Leadership Series	Construction Leadership Series
Advanced Pull Planning	Advanced Pull Planning	Construction Technical Skills A	Construction Technical Skills A	Effective Negotiations	Effective Negotiations
Workplace Investigation Class	Workplace Investigation Class	Construction Technical Skills B	Effective Negotiations	Lean	Lean
HR Classes	HR Classes	Construction Technical Skills C	Construction Technical Skills A	Advanced Pull Planning	Advanced Pull Planning
MS Excel 1	MS Excel 1	Lean	Construction Technical Skills B	Workplace Investigation Class	HR Classes
MS Excel 2	MS Excel 2	Advanced Pull Planning	Construction Technical Skills C	HR Classes	MS Excel 1
MS Project 1	MS Project 1	HR Classes	Lean	MS Excel 1	MS Excel 2
MS Project 2	MS Project 2	Ms Excel 1	Advanced Pull Planning	MS Excel 2	MS Project 1
Supervisory Training Program	First Aid CPR	MS Excel 2	Workplace Investigation Class	MS Project 1	MS Project 2
Online Supervisory Training Program		MS Project 1	HR Classes	MS Project 2	P6
100 - Introduction to Construction		MS Project 2	Ms Excel 1	P6	Bluebeam
102 Essential Construction Math		Bluebeam	MS Excel 2	Bluebeam	Building Information Modeling (BIM)
103 Construction Blueprint Reading		Online Supervisory Training Program	MS Project 1	Building Information Modeling (BIM)	101-Introduction to Construction Estimating
Safety Classes		99 Introduction to Concrete	MS Project 2	101-Introduction to Construction Estimating	305-Building Green the Contractors Perspective
First Aid CPR		100 - Introduction to Construction	P6	305-Building Green the Contractors Perspective	310-Practical Applications of Construction Law
		101-Introduction to Construction Estimating	Bluebeam	310-Practical Applications of Construction Law	Design Build Workshop
		102-Essential Construction Math	Building Information Modeling (BIM)	Design Build Workshop	GC/CM Workshop
		103- Construction Blueprint Reading	Online Supervisory Training Program	GC/CM Workshop	WSDOT Inspector Certification
		105- Estimating and Bidding1	99 Introduction to Concrete	WSDOT Inspector Certification	Safety Classes
		106-Estimating and Bidding 2	100 - Introduction to Construction	Safety Classes	First Aid CPR
		107-Construction Material Processes	101-Introduction to Construction Estimating	First Aid CPR	Construction Quality Manager
		108-Construction Equipment Methods	102-Essential Construction Math	Construction Quality Manager	Certified Erosion Sediment Control Lead
		109-Practical Applications of Civil Sitework	103- Construction Blueprint Reading	Certified Erosion Sediment Control Lead	Certified Erosion Sediment Control Lead Recertification
		114-Estimating Civil and Sitework Construction	105- Estimating and Bidding1	Certified Erosion Sediment Control Lead Recertification	
		Safety Classes	106-Estimating and Bidding 2		
		First Aid CPR	107-Construction Material Processes		
		OSHA 10	108-Construction Equipment Methods		
		OSHA 30	109-Practical Applications of Civil Sitework		
		Silica User Competent Person	114-Estimating Civil and Sitework Construction		
		Silica Monitor and Exposure	305-Building Green the Contractors Perspective		
		Trenching and Shoring	310-Practical Applications of Construction Law		
		Lead RRP	Design Build Workshop		
		24 Hour Fall Protection	GC/CM Workshop		
		Fall Protection	Safety Classes		
		Flagging	First Aid CPR		
		Basic Rigging	OSHA 10		
		Scaffold User	OSHA 30		
		Confined Space	Silica User Competent Person		
		Lift Director	Silica Monitor and Exposure		
		Washington State Traffic Control Supervisor	Trenching and Shoring		
		Washington State Traffic Control Supervisor Recertification	Lead RRP		
		Certified Erosion Sediment Control Lead	24 Hour Fall Protection		
		Certified Erosion Sediment Control Lead Recertification	Fall Protection		
		HAZWOPER	Flagging		
			Basic Rigging		
			Scaffold User		
			Confined Space		
			Lift Director		
			Washington State Traffic Control Supervisor		
			Washington State Traffic Control Supervisor Recertification		
			Construction Quality Manager		
			Certified Erosion Sediment Control Lead		
			Certified Erosion Sediment Control Lead Recertification		
			HAZWOPER
